## THIS YEAR'S BENEFICIARY FUND

### THE ATHLETICS FUND

The Fund for Athletics supports PIAA and intramural athletics and activities by filling the gaps between district and booster funds. Countless students have benefited from participating in athletic teams, learning to work together toward a common goal, developing a strong work ethic, and building their character through both victory and defeat.

### PAST BENEFICIARIES

The generosity of attendees, sponsors, and donors, has made significant contributions to student-centered programs, including new uniforms for the State High Marching Band, funding to launch the Mental Health Matters Fund, teacher grants through the Mardi Lowry McDonough '87 Student Opportunity Fund, and extracurricular activities through the Gwen & Richard Fund for Extracurricular Activities.
